---

## **6:00pm – Welcome, Housekeeping & Introductions**

**Evelyn Brealey**, Director, Cambridge Global Health Partnerships (CGHP)

---

## **6:10pm – Keynote Presentation**

### **Supporting Nurses, Strengthening Services: Insights from Neonatal Units in Kenya**

**Prof. Sassy Molyneux**, Professor in Global Health, University of Oxford; NIHR Global Research Professor and KEMRI-Wellcome Trust Research Programme

**Dr Abdulazeez Imam**, Academic Clinician and Paediatric Registrar

Abdul and Sassy will highlight the critical but challenging role that nurses play in the care of newborns in public hospitals in Kenya. They will share findings from a multi-disciplinary intervention study examining how the introduction of extra staff into newborn units impacted care quality and nurse experience. Their findings will underscore the toll of current workloads on nurses and the importance of multi-layered change processes to strengthen services.
